Send this signed and completed form to: [drupaljam@stichtingdrupal.nl](mailto:drupaljam@stichtingdrupal.nl) including your company logo in different file types (SVG, EPS or AI and PNG). We handle all submissions in order of receipt. Once your payment has been received by us, your sponsorship is final.

## Agreements

The sponsorship options are allocated on the basis of the order in which the **signed applications** are received by us. We can only process with fully completed and signed applications.

## Payment

Drupaljam is fully organized by the Dutch Drupal Association. To prevent the Association from having to (pre) finance from its own resources, your sponsorship is only definitive if the payment has been received in time and in full. No later than 30 days after the invoice date or no later than 1 May 2024. If payment has not been received on this date, the sponsorship will expire.

From the moment that you are committed as a sponsor, we will take your attendance into account and will incur costs for this for locations and printing matters. Therefore we can not grant any refunds.

## Code of Conduct

As the organization of Drupaljam we like to appeal to your great enthusiasm and creativity as a sponsor. Drupaljam must be a fun and valuable event that we can all look back on with pleasure. To ensure that Drupaljam meets these ambitions, we subscribe to the Drupal Code of Conduct for all attendees at Drupaljam, see: <http://drupal.org/dcoc>.

## Insurance and safety

No objects may be placed on walls, floors, walls, posts or other parts of the exhibition space without prior permission from the organization. If damage occurs to the exhibition space due to a sponsor, the costs will be recovered from the sponsor. The organization of Drupaljam and De Fabrique are not responsible for any damage or loss in and around the location.
